Book 2, great read By Mrs Brenda Henderson Book 2, carries straight on from where book 1 left off, We get a more in depth look at the characters in this book, their lives their pasts and what shaped them to be who they are now. I loved these books the characters were interesting and the books were exciting, I loved the twists that KC wrote into the story, the story had me hooked from beginning to end. We find out why Kane has such an intense personality, and why Nate has such a deep hatred for him. We also see Nechole being pulled in two different directions and having her heart broken. 0 of 0 people found the following review helpful. 5 brilliant stars By Erica Smith A One-Click Addict's Book Blog Book 2 in the My Innocence...His Dominance series picks up right where book one left off, ending our cliffhanger freak out quite quickly!!
